

MAJURA FC REGISTRATION GUIDE FOR 2019

There is a new Australia wide registration system this season called Play Football which allows a new mobile optimised user experience, you can register multiple individuals from a single account, allowing you to register and manage your whole family from a single login. All participants will login with their Football Account and can use Facebook or Google logins as well as email, so you no longer need your FFA number to login.

As a participant (player, parent or club official) looking to register for the up-coming season, you will need to create a Football Account <https://www.ffa.com.au/football-account> If you already have a Football Account, please sign in.

Once you have created and logged into your account you will be provided with a list of matching profiles from MyFootballClub where the email addresses match the one that you have provided. This is where you link existing profiles (yours and family members) in order to register them to play. You only need to do this once and then you're set for future seasons.
